2 CLEVER STORAGE Organise your shoes in a sliding shelving unit that neatly stacks and conceals your collection, while also eliminating the need for bulky hinged doors. This all-in-one unit also incorporates a bedside table and bookshelves, for extra space-saving storage.

Where to get it For custom cabinetry designed to fit your space, contact joinery experts, Make, and be sure to use high-quality hardware from Blum, available through Eclipse.

3 SCALE IT UP Give a small bedroom an unexpected sense of scale by filling it with a four-poster bed against a dark backdrop – use a slim modern design to ensure that it doesn't overwhelm the room.

Where to get it The Spati four-poster 'Queen' bed from Weylandts is a similar option, available in oak or white. For a custom-made option go to Moorgas & Sons.

4 BEDROOM OFFICE Create zones in your bedroom by using a dividing wall to accommodate a home office. The
